# LAUNCH YOUR CAREER IN AESTHETIC MEDICINE

Embark on an **exciting journey into the world of aesthetic medicine** with our comprehensive Aesthetics New Joiners program.

Designed for **professionals entering the field or transitioning from other medical specialties**, this program offers unparalleled education, expert guidance, and a supportive community to jumpstart your success.

## MEET THE ESTEEMED AESTHETICS NEW JOINERS COMMITTEE

### COMMITTEE DIRECTOR

### Prof. Dr. Jean-Paul Meningaud

Head of the Department of Plastic, Reconstructive, Aesthetic, and Maxillofacial Surgery at Henri Mondor University Hospital in Paris. A pioneer in aesthetic and reconstructive surgery, Professor Meningaud has played a key role in seven face transplants and continues to shape the future of the field.

### COMMITTEE MEMBERS

### Dr. Uliana Gout

Based in London, Dr. Gout is a trailblazer in noninvasive aesthetic treatments and a driving force in advancing clinical excellence in aesthetics.

### Dr. Klaus Hoffmann

From Bochum, Germany, Dr. Hoffmann brings a wealth of experience in dermatological and aesthetic procedures, with a focus on patient safety and innovative techniques.

### Dr. Dalvi Humzah

A leading educator and Plastic & Reconstructive Surgeon from the UK, Dr. Humzah's expertise in facial rejuvenation techniques has earned him global recognition.

### Prof. Dr. Philippe Kestemont

A Facial Plastic Surgeon based in Nice, France, Dr. Kestemont's distinguished career focuses on both surgical and non-surgical facial aesthetics.

### Dr. Francisco Llano

A specialist in anti-aging medicine, Dr. Llano integrates cutting-edge technology with holistic care to achieve exceptional results for his patients.

### Prof. Dr. Oleksandr Turkevych

A specialist in aesthetic medicine from Lviv, Ukraine, Dr. Turkevych combines expertise in injectables and facial rejuvenation with a prolific academic and teaching career.

9:00 - 10:30
