GENERAL INFO

WHAT ARE THE CONFERENCE OPENING HOURS?

WELCOME AREA

Wed., March 30: From 7.30^{AM} to 6.30^{PM} Thu., March 31: From 7.30^{AM} to 6.30^{PM} Fri., April 1: From 8.00^{AM} to 6.30^{PM} Sat., April 2: From 8.00^{AM} to 6.30^{PM}

EXHIBITION

Thu., March 31: From 8.00^{AM} to 7.00^{PM} Fri., April 1: From 8.00^{AM} to 7.00^{PM} Sat., April 2: From 8.00^{AM} to 6.00^{PM}

CONFERENCE (Scientific program / Workshops)

Wed., March 30: From 9.00^{AM} to 6.30^{PM} (pre-course) Thu., March 31: From 9.00^{AM} to 6.45^{PM} Fri., April 1: From 9.00^{AM} to 6.45^{PM} Sat., April 2: From 9.00^{AM} to 6.15^{PM}

HOW CAN I GET MY CERTIFICATE OF ATTENDANCE?

After the conference, **an email will be sent to you** with steps to claim your certificate of attendance.

WHERE CAN I FIND POSTER PRESENTATIONS?

This year view all posters online on the AMWC App.

IF I LOSE MY BADGE ON-SITE, HOW CAN I GET A NEW ONE?

You can reprint your badge at the registration area at a 50 Euros fee.

ON-SITE SERVICES

ARE THERE LIVE TRANSLATION SERVICES?

The official congress languages are **English and French**.

More languages are available for a selection of scientific sessions and workshops, please check out the program for further details. Headsets will be available on-site at the **ATRIUM on level -2.** Please note that an ID will be required in exchange for the device. For any lost or unreturned headset, you will be charged a penalty fee.

IS THERE A WIFLAT THE VENUE?

Enjoy free WIFI for the duration of the conference, brought to you by Bioscience.

WIFI network: **AMWC2022** Password: **Bioscience**

Bio SCIENCE

WHERE IS THE VIP LOUNGE?

The VIP lounge is available for VIP pass holders only and is located at **Le Genois area, level 2.**

I AM LOOKING FOR:

- Cloakroom is available at the entrance of the congress
- Concierge services will be available to assist you with travel, dining, and entertainment recommendations.
 - Locations: Glass Roof, level 0, welcome desk for all participants and VIP Room, Le Genois for speakers and VIP delegates.
- Lost & Found: Should you lose any personal belongings or find someone's lost property, please go to the reception desk situated at the Glass Roof Hall of the Grimaldi Forum.

AMWC APP AND REPLAY

HOW CAN I DOWNLOAD THE AMWC APP?

Download the **'AMWC App'** on the relevant app store. If you wish to access the AMWC platform on desktop version, please go to:

AMWC-VIRTUAL.COM

with the same login and password.

WHICH PASSES ARE ELIGIBLE FOR REPLAY AND FOR HOW LONG?

The elegible passes for **5-day replay** (From April 3 to 7) are:

- · VIP Pass
- · Full Pass
- · Conference pass
- · Virtual conference pass
- · Visitor pass (selection of workshops only)

If you want more time to watch, become a premium member of the Aesthetic Multispecialty Society (AMS) and watch the live streamed sessions at your own pace:

AMS Premium registration

TRANSPORT

CAN I USE PUBLIC BUSES IN MONACO?

From March 28 to April 3, 2022, participants of AMWC can benefit from free use of the public buses in Monaco. Simply present your delegate badge to the bus captain upon boarding.

Bus map & schedule

HOW CAN I REACH NICE AIRPORT FROM MONACO?

An express line connects directly Monaco (stop in front of the Grimaldi Forum) at the airport of Nice Côte d'Azur. Departure every 30 minutes.

Book your ticket

SAFETY / COVID-19

WHAT ARE THE COVID-19 MEASURES IN PLACE?

As an Informa event, AMWC will deploy an integrated **framework of safety measures** made up of guidelines from national and local authorities as well as the **Informa AllSecure safety standards**.

Participants will be asked to wear a face mask on entry and throughout the event. More information about Informa AllSecure on our website: www.euromedicom.com

WHERE CAN I GET TESTED?

Covid-19 screening, PCR and Antigenic, will be possible on-site next to the welcome area, limited capacity.

You can also get tested at several laboratories in Monaco - Paying service. More information on the AMWC App or euromedicom.com

IF HAVE MORE QUESTIONS, WHERE CAN I GO?

The AMWC Team will be delighted to answer and assist you with all your queries. Please feel free to find us at the **welcome area**.

Sustainability Charter, for a Green AMWC

Join the AMWC G

DEAR FRIENDS, DEAR COLLEAGUES,

We take great pride in welcoming our speakers, attendees and industry partners to the 20th AMWC (Aesthetic & Anti-Aging World Congress), taking place from March 31 to April 2, 2022 in Monte-Carlo under the High Patronage of H.S.H. Prince Albert II of Monaco.

Last edition, AMWC took place as a hybrid meeting — a model that welcomed in-person attendees to our congress in Monaco with access to our digital platform and attendees to join us remotely on the same platform, benefitting from our insightful scientific program streamed live, straight from the venue. This congress was a resounding success, allowing for greater interconnectivity between aesthetic professionals across the globe and more physicians to pursue continuing medical education for the betterment of their practice.

For the 20th edition of AMWC, the event once again takes place as a hybrid meeting. We believe in providing as many opportunities as possible for practitioners to hone their craft, learn new skills and engage in pivotal scientific debates, by staying hybrid, this will be achieved.

At the core of the congress is our multidisciplinary scientific program, put together by our scientific committee and cohort of esteemed speakers, under the supervision of the Aesthetic Multispecialty Society. The program explores many subsectors of aesthetic and anti-aging medicine, from combined facial treatments and thread lifting, to male aesthetics, cosmeceuticals, body sculpting and more - providing our audience with not just breath, but also depth of knowledge.

In addition to the scientific program, AMWC 2022 also features the unmissable **Pre-congress** practical course on March 30th:

ADVANCED FACIAL AESTHETIC MASTERCLASS presents a new dimension of treatment based on Core Facial Aesthetics.

This year, however, will be a little different. With 20 years of valued experience under our belts, it's time to shake things up and disrupt the status quo. We want to delve deeper, challenging our preconceptions of what aesthetics is, and what it can be—guestioning trends, how we operate and rethinking our approach to aesthetics. To advance, we must pose difficult questions and be open to new perspectives that may reshape the field of aesthetics and antiaging medicine.

The event also plays host to a bustling exhibition of over 300 of the industry's leading and most trusted companies. Spread over 5-floors, attendees will be able to get a first-hand look at some of the newest products and most innovative technologies to date. Attendees who join us virtually have opportunity to get the full exhibition experience on our digital platform and to network with company representatives and view their products and/or services on the AMWC digital marketplace.

We thank our delegates, speakers and industry partners for their continued support of AMWC. It is due to your dedication to the field that we continue to do what we do and we feel confident that you will find the 20th edition of AMWC a fruitful and dynamic experience.

We are very pleased to welcome you back to Monaco and our digital platform, for another successful AMWC congress.

PRE-CONGRESS COURSE

ADVANCED FACIAL AESTHETIC MASTERCI ASS

Even though facial aesthetics is a fast-paced changing field with cultural and ethnical specificities, in-depth knowledge of clinical facial anatomy combined with advanced injection techniques will always be the pillars to ensure safe and optimal results.

The Monaco Advanced Facial Aesthetic Masterclass is aimed at high level discerning doctors in aesthetic medicine interested in deepening their knowledge and improving their technique, introducing or improving their use of threads in combination with dermal fillers, and catching up with the latest in facial aesthetics.

The 2022 Masterclass will have **two modules**. The first one will focus on **techniques** for nose, nasolabial folds, **cheek and zygoma**. The second module will delve in the **use of dermal fillers in combined treatment with threads** for better appearance and fuller lift result.

From $9^{\rm AM}$ to $3:30^{\rm PM}$, the world's most prominent doctors, who see the live anatomy of facial tissues on a weekly basis, will lecture and demonstrate on clinically relevant anatomy.

The talks will be followed by **live demos** performed by a faculty of selected specialists, who will carefully choose models with challenging features within the focus zones. The treatment execution will involve discussions on surface anatomy, choice of injectables, mode of injection, precautions and after care.

The Threads & Fillers module will take place from 4^{PM} to 6^{PM} . Three patients will be brought on stage with their respective surgeons, who will show a video of the threads implantation and present the case. After each presentation, a panel of experts will discuss the case for 10 minutes. A treatment plan for each patient is elaborated to be performed live the next day, during the congress.

AMWC PATIENTS ON STAGE: 6-MONTH FOLLOW-UP SHOWCASE

CHAIR: Thierry BESINS | Co-CHAIR: Ali PIRAYESH

As with any medical treatment, follow-up sessions hold just as much importance in the patient's aesthetic journey as the initial procedural appointment. In this session, our experts will revisit their patients who received injectables treatments at AMWC 2021 for a 6-month follow-up live on stage. As the experts demonstrate how they conduct follow-up sessions, the results 6 months post-treatment will be analysed along with 3D imaging. They will then discuss each case and present the audience with tips on how to tweak the face to create natural results and improve the outcomes of the initial procedure for long-lasting facial rejuvenation and beautification.

- LIVE DEMO-

- Case 1: Follow-up and result analysis on temple injection
- Case 2: Follow-up and result analysis on lips injection
- Case 3: Follow-up and result analysis on chin injection

MASTERCLASS THREADS & FILLERS – LIVE INJECTIONS WITH FILLERS TO ENHANCE THE THREAD TREATMENT

CHAIR: Thierry BESINS | Co-CHAIR: Naci CELIK

On March 30, during our pre-congress course, experts will provide detailed explanations on thread lifting techniques using step-by-step video demonstrations of treatments done 2 months prior to the conference.

Speakers will then be joined on stage by their patients, and a treatment plan with fillers will be created by thread experts and injectors.

This present session will continue the work initiated the previous day. The injectors will put the treatment plan with injectables into action in live demos that will follow the agreed protocol, hence demonstrating in a hands-on fashion the power of the thread/filler combination.

On-Demand for AMS Premium Members

Enjoy all live-streamed sessions and a selection of sponsored workshops from AMWC 2022 on-demand for as long as you want on the Aesthetic Multispecialty Society platform (AMS).

HOW?

If you have yet to become an AMS premium member, register now!

In addition to AMWC 2022, other events from our series of world leading conferences will be available including: AMWC Global, Vegas Cosmetic Surgery, AMWC Asia, The Aesthetic show, Miami Cosmetic Surgery and more upcoming events.

Become an AMS
premium member
from just
29 EUR/month*

get **2 months free** when you sign-up for a year at **290 EUR.**

* 12-month commitment

BECOME A PREMIUM MEMBER AND ACCESS EDUCATION 365 DAYS A YEAR!

Dedicated to the continuing education of professionals within the aesthetic & anti-aging medicine sector, the **Aesthetic Multispecialty Society (AMS)** provides on its online platform educational content and valuable resources to **over 15,000 members.**

By becoming an AMS Premium Member, you will unlock additional unique benefits to further supplement your learning and professional development.

Congress Footage On-Demand

Replay **live-streamed sessions &**workshops from AMWC 2022 as well
as a selection of events from the AMWC
series: AMWC Monaco, MCS, VCS, AMWC
Asia, TAS, AMWC Global and more.

Exclusive discounts

Get up to **20% off events** from the AMWC series and AMS supervised conferences plus preferential rates on the AMS bookstore.

CPD & CME credits

Obtain **CPD & CME credits** when you watch accredited content on the AMS Platform.

Gain access to a frequently updated **library of premium webinars**, available both live & on-demand.

& Live Demonstrations

Certificate of Membership

Be recognized as a member of the AMS with a **certificate of premium membership** & stamp of affiliation to display on your website

Industry Directory

Get the latest information about the Medical Aesthetics industry, including product launches, videos and webinars brought to you by industry leaders.

CFU ÈLIFE

TEXAS JAW CONTOURING AND CONTOURING OF THE CHEEKS. WHAT IS THE BEST APPROACH TO GET THE BEST RESULTS!

With the generation of millennials on the rise in our daily practice, beauty treatments have changed to involve more contouring and profiloplasty. Texas contouring is becoming more and more popular, but should we always inject fillers?

In this study we present how we can achieve the best results by first treating our patients with EBD technologies such as centered focused ultrasound to redefine facial contours without adding volume to the face and then, if necessary, injecting fillers for greater definition.

Dermacoutic is the expert in aesthetic dermatology. We were born from a collaboration between French dermatologists and now partner with more than 30,000 skip professionals internationally. By working daily with these specialists, we gain vital and even-evolving insights into different skin types, phototypes and unique patient expectations. Thanks to this expertise, Dermacoutic is the only French laboratory with a range of professional peels certified class lia.
